

Event Information

- What?** The inaugural Serpent Nations Cup is a new end of season team event that will see Serpent drivers race for their country and the title of 'Nations Cup' Champions.
- Where?** Valencia, Spain (Third largest city located on the east coast of Spain)
- When?** 12/13 November 2005
- Who?** The Serpent Nations Cup is organised by Serpent Motorsport and will cater for Serpent 1/8th scale cars.
- How?** The Serpent Nations Cup is an invitation only event. Drivers can obtain an entry in two ways. The majority of entries will go to the Champions and Vice-Champions of Serpent Series' that are being run by our distributors in 17 countries across Europe this season.
- For non Serpent Series competitors or in countries in which there is no Serpent Series, driver can apply for one of the limited wildcard entries that will be allocated to each of our distributors. Application for a wildcard entry can be made via your national Serpent distributor.
- There is no entry fee for the Serpent Nations Cup. Serpent will also make available to competitors (trackside) discounted parts, fuel and tires.
- Format?** The Serpent Nations Cup is a team event. Each team will consist of four drivers each of whom will play an equal part in the race format. Points will be awarded at the end of each days racing and the team with the best combined score will be declared the inaugural 'Serpent Nations Cup' Champions.
- Theme?** While serious racing will be the main element of the Serpent Nations Cup, Serpent Motorsport are also planning the event as an end of season celebration for its drivers. By running it as a team event we hope to encourage the sharing of information among drivers. Our factory drivers will be on hand also to offer advice and set-up tips. We also believe by bringing together teams from across Europe we can build new friendships between the different Serpent communities within our sport.
